The difficulty of obtaining accurate particulars is caused by the absence of some of the Inamdars and by the Summons not forthcoming with those that are present. Even Government records do not contain all the information required.

4. From the Statement submitted, it appears that the various items of revenue other than the land, enjoyed by the Inamdars are confined mostly to the five items of Mohatarfa. The other taxes, enjoyed by a few of the Inamdars are the following:-

6. The Deputy Commr is of opinion that full & accurate information can be had only from the Inamdars and their Summds and suggests that a Notification may be published in the Gazette, requiring the Inamdars to furnish to the District office, within a prescribed time, the particulars required, together with their Summds and warning them that no consideration will be shewn in case of their default.

in Parvagada, where also minor items are collected, no sum was produced and the village is not yet settled by the Inam Department.

10 The Deputy Commissioner of the Shimoga Distt. submits a Statement, which shows that the minor items enjoyed by the Inamdars are confined mostly to the five items of Mohaturfa & the other taxes enjoyed by a few of them are fine for cattle trespass, Loddy tax, iron forge tax and Ferry tax. The Deputy Commr has issued orders prohibiting the cattle trespass tax, which is contrary to the Chief Commrs Rs: No 3215-16/543 dated 23rd September 1879. The other taxes have been confirmed to the Inamdars by Summonds

dicating all items of revenue
The documents produced
for some of the other
villages give away all
items in general terms.
Some of the Inam villages
in Sorab and Shikarpur
were originally Sircar
villages, and as they con-
-tained a large proportion
of Agrahar Inam lands
were declared as whole
Inam villages by the
Inam department, which
also confirmed to the
Inamdars the Mohaturfa
and forge taxes. The
Mohaturfa was similarly
made over to the Inam-
-dar of another village
in Bonnalli. In other
villages, the Inamdars

confirmed by a circ
of the Chief Commissioner
The arrack revenue is, in no
case, claimed by any of the
Inamdars.

12 Only in three villages
is the Toddy revenue enjoyed
by the Inamdars. The orders
regarding this right not
being quite explicit, a
reference was made by
the Deputy Commr to the
Commr in 1877, which yet
remains unanswered.
A copy of the letter is
enclosed for ready
reference.

13. None of the villages
in the District enjoy the
Sayer. The Sringeri Mutt,
owning Andavalli in Sorab,
though entitled to it by
Summud, does not enjoy
it for whatever reason

years has averaged from
12 Rs & 58 Rs. The Inam Boiz
of the Village includes -- 6
on account of Mohaturfa
and Rs 4-14-11 on account
of minor items.

14. The Dy: Commr thinks
that Mohaturfa should
be withdrawn from the
Inam villages, it being
a concomitant of the land
which is the Inamdar's
property. A copy of the
Inam deptt: ruling on
the subject, is attached
for ready reference. The
former orders of the
Chief Commrs Office are
in favor of this view.

Mund. No. 24

Recommends that the order contained in the Chief Comm's Proc: No. 3362-73 of 161 27th September last, relating to the abolition of Sayer duty on fresh & dry cocoa-nuts and betel leaves, be not made applicable to Jaghirs such as Sringeri.

Copy of Govt Order, referred to in the Resolution dated 15th December 1879.

To Collector

To the Secretary to the Chief Commissioner
of Mysore
Revenue Department.

Sir,

Adverting to the order contained in Chief Commissioner's Proceedings No. 3362-73/161 of 7th September last, relating to the abolition of Layer duty on fresh and dry cocoanuts and Betel leaves, the Deputy Commissioner, Kadur District, has submitted an enquiry whether the abolition of the Layer duties in question is applicable to Inamdars and the villages under their control; the Agent of the Sringeri Mutt having represented that the revenue of the Mutt will be affected thereby to the extent of Rs 600 annually.

2. In soliciting the Chief Commissioner's orders on the point, I may observe that by the terms of Sir Mark Cubbon's

ordinary Notification dd 25th
October 1843 (vide Secretary's circular
No 28 of the same date) no exemption
can be claimed by Inamdars from
the operation of fiscal measures
designed to benefit the ryots; but
the effect of the measure under
present reference has been to
commute the Sayer duties into an
Octroi payable, where consumed,
in Municipal towns; from which the
holders of Inam villages can derive
no advantage; while in the case
of Government, there has been no
complete sacrifice of revenue. In
respect therefore to Jaghirs such as
Sirsingeri, where an actual direct
loss is entailed, without any counter-
-vailing advantage, I would recommend
that the new measure be not made

attention To Sayer duties within
the Jaghir is not, from the natu
of the measure I conceive, likely t
prove injurious to any interest
of Government.

Sir,

Hassan District,
Deputy Commissioner's Office.
Dated 5th January 1881.

To,

The Secretary to the
Chief Commissioner of Mysore &c.
Revenue Department.

Sir,

With reference to the Chief Commissioner's Proceedings No. 5230-8/260 of the 8th January 1880, I have the honor to request instructions as to whether the words "and there ought to be no further interferance with the trade", therein contained, are intended to convey that when an Inamdar has levied Layer on articles produced in his Inam village, they are not to be subject to town duty in case they are brought within the Municipal limits for consumption. A case has occurred in which Layer duty at the rate of 12 annas has been levied on 88½ Maunds of tobacco by the Inamdars of the villages of Hosakote, Chibakankalli and Gudaganchalli in the Arkalgud Taluk, and a town duty at Rs: 1 has also been levied on the same at Kunkur, where it was taken for sale. The traders who have paid both the duties claim a refund of the Layer, and I therefore solicit orders on the subject.

I have the honor to be,
Sir,
Your most Obedient Servant.

Section 5 1
File No. 24-79

To,

The Secretary to the
Dewan of Mysore,
Revenue Department

Sir,

I have the honor to acknowledge the receipt of your docket No. 1954/61 of the 9th instant, calling for the early submission of the lists of Inam and Kayemgutta villages and the various items of revenue other than land collected by the Inamdars &c.

2. In reply, I beg to report that the list from the Hassan Taluk has not as yet been received, while the information furnished by the Amildars of the other Taluks is rather imperfect.

3. The delay and the incompleteness of the information supplied were due chiefly to the difficulty experienced

particulars from [illegible] Inamdars who are scattered [illegible] different Talukas and Districts, and many of whom have no agents in the place sufficiently acquainted with all the material facts.

3. I asked the Inam Superintendent for a statement shewing the various items of revenue confirmed or disallowed in the case of each Inamdar in the District, with a view to the preparation of the lists in question being thereby facilitated, but one has not as yet been received. Further the Inam Settlement, which probably has taken cognizance of all the claims of Inamdars, having been recently completed, I am in doubt as to whether the submission of these lists, which were called for so far back as in May 1879, is any longer necessary, and I am of the humble Opinion that before submitting the same it is but fair that in view to pre-

Inamdars or allowe[illegible] opportunity to present their claims. As the enquiry now held by the Amildars is defective in these respects, I solicit the instructions of the Dewan as to whether in the event of the submission of the lists being still necessary, I can arrange for a full investigation in the manner referred to.

I have the honor to be,
Sir,
Your most Obedient Servant.
